## ART CLASS

Art is an important part of our everyday lives. The Art Education program at Mount Carmel Area Elementary School provides students with opportunities to perceive and respond to ideas, experiences, and environments. They learn that art is a part of history and life. The students will produce art, showing organization, knowledge, goals, and techniques. The students will develop the ability to identify, analyze, and apply information for making visual decisions. Projects are designed for fine and gross motor skills. Design elements are introduced through color, line, shape, form, pattern, texture, and composition. Students will develop self-confidence and responsibility, reinforce communication skills, and develop a better understanding of self, family, and other cultures. In addition, students will experience a wide variety of art mediums and learn to develop planning in their work. These experiences will aid the student in making aesthetic judgments or evaluations. Students in grades K-6 will have one 35-minute art class in a six-day rotation. Art grades will be given the 2nd and 4th marking periods. Students will be taught how to evaluate their projects for strengths and areas of improvement that will guide the student toward an enriched art experience.

## ATTENDANCE

**The Mount Carmel Area School District's attendance policy is designed to encourage maximum student attendance and punctuality.** No factor has a more direct relationship to a student's success in school than a good attendance record. The school can best fulfill its goals when students are present in the classroom. The child's parents/guardians are legally responsible to ensure that the child attends school on a regular basis and is absent only for the reasons allowed by law (illness, death in the immediate family, and educational excuse are the most common). Any parent/guardian found violating the law is subject to prosecution, fine (up to \$300), court costs and sentencing to complete a parenting education course. If the parent is not convicted and the child continues to be truant, the child will be fined \$300 or be assigned to an alternative education program.

In an effort to further reduce truancy our school district has partnered with Northumberland County Children and Youth Agency who has developed a Truancy Prevention Specialized Unit. This Unit utilizes Children and Youth and Juvenile Probation Staff. The purpose is to assist families who by LAW (PA ACT 138) have been identified as truant. This will include:

- Attendance at Student Attendance Improvement Plan meetings (SAIP)
- Direct contact with students and families
- Offer community based supports
- Facilitate Parental Truancy Assistance Program (PTAP)
- Recommend and refer to Children and Youth
- Recommend and attend magisterial hearings.

A child is considered Truant after accumulating 3 or more unexcused absences and habitually truant after 6 or more unexcused absences. Parents can contact Northumberland County Children and Youth at (570) 988-4237 or email [truancy@norrycopa.net](mailto:truancy@norrycopa.net).

### **Elementary School Absences:**

***Parent notes are required for all absences and must be given to the teacher the day following the absence. Failure to provide a note within three days of the absence constitutes an unlawful absence.***

- Parents should notify the school by 8:15 a.m. for students in grades Pre K-6 when students are absent. Please call 570-339-1500 ext. 3167. If the school office is not notified, the parent will be contacted to verify the absence.
- Students must present a written excuse for absence to their homeroom teacher, who will forward it to the attendance office within 3 days of returning from the absence. All absences are marked unexcused until the district receives a written excuse explaining the absence.
- After a student has unexcused absences for a total of three (3) days during the school year, an official notice will be mailed to the parents/guardian. Parent/guardian will be invited to attend a Student Attendance Improvement Plan meeting to discuss attendance issues with their child. Parents who fail to comply with the provisions of the compulsory attendance law may, on summary conviction thereof, be required to pay a fine plus court costs.
- After 6 unexcused a referral may also be sent to Northumberland County Children & Youth Service and Juvenile Probation for attendance issues. Any unexcused absence after a warning letter will constitute a fine being levied against the parent/guardian of the student and the student or another suggested disposition by the District Magistrate. Fines will continue for any unlawful/unexcused absences.
- The MCA attendance policy committee will review the attendance records of students who have missed ten (10%) of the days school has been in session. A review will be held on the 45<sup>th</sup>, 90<sup>th</sup> and 135<sup>th</sup> day of the school term.
- Please be advised that truancy is considered public information and may be released to local news agencies, if requested.
- Students who miss an excessive number of school days will be required to provide a doctor's excuse. After 7 days of absence (or 10% of the school term) a warning letter will be sent to the parent. After 10 days of absence (or 10% of the school term) parents will be notified in writing that a doctor's note may be required.
- Pre-Kindergarten and Kindergarten students who are absent 10 consecutive, or a total of 30 days, without a doctor's note will be dropped from the class rolls as they must adhere to all school attendance policies.

Families are encouraged to take vacations during the summer months to ensure their child's academic success. Parents must complete a vacation request form for approval for an educational vacation to ensure legal absences. Students must be passing all classes in order to be approved for vacation. Students will not be permitted more than one vacation request per year. Students are responsible for all work during this period.

**Tardiness:**

- Tardy students must be accompanied by a parent/guardian and signed in upon entering the building.
- If a student is late because of a medical appointment, a written excuse is required. If one is not provided, the tardy will be unexcused.
- Unexcused tardy minutes will accumulate. Once a student accumulates 60 unexcused minutes, those minutes will equate to one half-day unexcused absence.
- At the 5<sup>th</sup> unexcused day to school tardy, a student may receive a detention. Subsequent unexcused days to school tardy may result in detention, suspension, and/or parental/guardian meeting.

**\*\*\* Students will be assessed a quarter-day or half-day absence depending on when they enter and/or leave the building. Administration will use discretion when applying quarter-day or half-day absences depending on the reasoning and need for the absence.**

**Leaving School for Appointments:**

All appointments should be made after school hours if possible. When not possible, appointments should be scheduled first thing in the morning or late in the afternoon. In order to be excused from school, students must submit a written request to the teacher one day in advance. Students are not excused for any reason without written permission from parents. Parents must sign students must sign in and out at the front table. Parents or designees should pick up students at the office or call to verify arrangements.

- Please do not drive or park in front of the school as the buses coming in need to park in this area.
- Vehicles dropping off must continue in front of the junior-senior high school, turn left at the stop sign, and either exit at the Sixth Street gate or the main entrance to the junior-senior high school (Fifth Street gate).

Parents are not permitted to pick up students at the elementary gym doors.

**Parking in front of either building during arrival/dismissal times is prohibited.**

Parking guidelines must also be adhered to during after-school hours when visiting the schools for activities, practices, programs, etc.

There is a **“No Drive Through” policy** in front of the elementary school from 2:50 p.m.–3:45 p.m. to ensure the safety of students boarding the school buses/vans and walkers being dismissed.

The above guidelines are implemented to ensure the safety of all the students and visitors.

## **CELL PHONES**

Cell phones must be turned “off” at all times. **This means “off”, not on the muted or vibrate mode.** Upon entering the building in the morning, phones and all electronic devices must be turned off and should not be visible. On occasion and at their discretion, teachers may allow the supervised use of smart phones for specific instructional purposes.

If a student phone or any other personal electronic device is discovered turned “on” or is used in an unauthorized manner, it will be confiscated by the staff member and sent to the office and the following disciplinary actions will be implemented:

- **First Occurrence:** A parent will be contacted and the cell phone / personal electronic device will be returned to the student at the end of the day.

**The district is not responsible for lost, stolen, or damaged cell phones or personal electronic devices.**

## **CHILD STUDY TEAM/STUDENT ASSISTANCE PROGRAM**

Children who are experiencing any difficulties in school, either academic or behavioral, may be referred to the Child Study Team. All students enrolled in the Mount Carmel Area Elementary School are expected to conduct themselves in accordance with the rules and regulations of the school and their classroom teachers. Students who are suspended from school are not permitted on school property, including the stadium and athletic fields. Misbehavior in school will not be tolerated and may result in the following disciplinary measures:

### **Elementary Band**

Students become eligible for band in grade 4. Beginning band students receive instruction on their instrument in a group setting for the entire school year. In January, a beginning band is formed, with all instruments playing together. The beginning band meets one time per week.

Fifth and sixth grade students with previous band experience receive one group lesson each week on their individual instrument and one group band rehearsal each week. Students may begin lessons anytime during grades four, five, and six, but it is recommended they start in grade 4.

### **Elementary Chorus**

Students in the fifth and sixth grades are given an opportunity to experience vocal singing in a choral-performing group. Auditions are held at the beginning of each school year. Students must demonstrate an ability to match pitch accurately, echo vocal and rhythmic patterns and sing with vocal and expressive qualities. Students will learn to read a vocal octave and experience two-part treble music.

## **HOMEBOUND EDUCATION**

Students who are severely ill and require homebound education as defined by a physician will be provided five hours of instruction per week. Report cards will note modified curricula if the time period is excessive. Students with excessive homebound instruction will not be included in class rankings. PDE must approve all homebound requests. Students may not participate in school activities while on homebound instruction.

## **HOMELESS EDUCATION ASSISTANCE**

The McKinney-Vento Homeless Education Assistance Improvement Act of 2001 (Public Law 107-110, Subtitle B) was enacted to make sure homeless youth have access to appropriate education while removing barriers that homeless children face. The Act defines the term “homeless children and youth” as individuals who lack a fixed, regular, and adequate nighttime residence. Its goal is to minimize interruptions to the education of homeless youth. The Mount Carmel Area School District is committed to working collaboratively with families and local agencies to support homeless youth in our school community. Please see the district website for more information or contact Carole Lubeskie, Homeless Liaison, at 570-339-1500 ext. 3147.

## **HOMEWORK POLICY**

It is the responsibility of the student and parents to see that all homework assignments are completed on time. Students may be required to stay after school when excessive assignments are missed.

**All students will receive a homework planner/agenda for the 2021-2022 school year.** This is an important part of home/school communication and parents will be asked to sign student agendas daily.

## **INTEGRATED PEST MANAGEMENT**

The Mount Carmel Area School District utilizes the Integrated Pest Management (IPM) approach for managing insects, rodents, and weeds. The building(s) and grounds are routinely monitored to detect any pests that are present throughout the school.

Occasionally it may be necessary to use chemicals to manage a pest problem. These materials will only be used when necessary and will not be routinely applied. The school district will contract with a pest management company to perform services on site.

Pesticides will not be applied during school hours and notices will be posted 72 hours prior to applications and for 48 hours following the application.

Parents or guardians of students may request prior notification of specific pesticide applications that will be made at the school. To receive notification you must be placed on the school notification registry. If you would like to be placed on the registry, please notify the school in writing. You may include your e-mail address if you would like to be notified electronically. Each year the district will prepare a new notification registry.

If a material application must be made to control an emergency pest problem (*stinging insects*), notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include: disinfectants and anti-microbial products, self-containerized baits placed in areas not accessible to students, gel type baits placed in cracks, crevices, or voids, and swimming pool maintenance chemicals.

If you have any questions, please contact Dave Fegley, IPM Coordinator, at the Mount Carmel Area Elementary School.

## **LEAVING SCHOOL**

Students are not permitted to leave school property during the school day without the permission of either the principal or school nurse. Leaving the school site without permission will result in suspension. A parent or parent designee must pick up the child. Students are not permitted to leave the school site unless accompanied by an authorized adult.

## **LOST AND FOUND**

Please turn in found textbooks, workbooks, notebooks, articles of clothing, etc. to the office. Students who misplaced one of the above articles should check with the office. Students will be responsible to pay for lost books prior to obtaining a new book or their final report card. Personal property should be labeled. Report any lost items to the office.

## **METAL DETECTOR OPERATIONS**

The Board recognizes that the educational environment of the schools is an important factor in the student's ability to learn and a teacher to teach. Weapons and drugs in the schools, on school grounds, and in the surrounding communities are a danger to that environment and learning has suffered as a result. Through this procedure, it is the hope and desire of the Board to foster a proper educational environment for all students and to help promote the safety and welfare of students, staff, and visitors by authorizing Mount Carmel Area School District to conduct metal detector screenings of anyone entering the Elementary School building daily.

Searches are conducted for the district's purposes and not for the primary purpose of gathering evidence or instituting criminal proceedings; however, if a weapon and/or illegal item(s) are found, the appropriate law enforcement authorities shall be notified and the student or adult with a weapon and/or illegal items(s) shall face the penalties set forth in the Board policies and State laws.

In conjunction with using the metal detectors, designated school personnel may inspect the contents of any backpack, book bag, purse, or parcel for the limited purpose of determining whether a weapon is concealed therein, in accordance with Board policy. In the event a further search is necessary, the student and/or visitor will be removed to a private location. In cases involving students, a parent and guardian will be called prior to continued search. The parent/guardian will be given the option to be present for extended search, unless school staff believes immediate danger to the safety of students exists. A student and/or visitor can be refused admittance for refusing to follow metal detector operation protocol.

## **PHYSICAL EDUCATION GUIDELINES**

### **Medical Excuses:**

All students will participate in Physical Education except for those with a written excuse. If a child comes to school with crutches, a cast, etc., a doctor's note must be given to the physical education teachers stating how long the child is to be excused. If the child does not have a doctor's note, then the student will be excused until a doctor's note is given to the physical education teacher. A student **may not** participate in physical education class with a cast no matter what the doctor recommends. This is to ensure the safety of all children. This note needs to be submitted to the P.E. teacher, not the classroom teacher.

Students must wear approved physical education clothing as defined in the dress code, which includes sweatpants, shorts, athletic pants and appropriate sleeved shirts. Cargo pocket pants and jeans are not permitted. Students who are not properly attired will not be allowed to participate in gym class.

### **Physical Education Grading Criteria:**

Grading is not based on athletic ability, but is based on proper dress, participation, and individual student improvement. The student's grade will be negatively affected by coming to gym class unprepared.

## **PROMOTION/RETENTION**

1. Assure that every effort will be made to remediate the student's difficulties before he/she is retained.
2. Assure that no student will be retained more than two (2) times.
3. If promotion is in danger, the parents shall be informed in writing by no later than the end of the third marking period.
4. Parental requests for retention must be supported in writing by an independent evaluation or a physician's recommendation.
6. The building principal has the final responsibility for determining the promotion or retention of each student.

### **Promotion/Retention Guidelines:**

1. A student in grades 1-3 may be considered for retention if he/she is failing reading and/or math, and all avenues for correction, including staffing through the Child Study Team, have been tried in an attempt to correct the deficiency.
2. A student in grades 4-6 may be considered for retention if he/she is failing two (2) major subjects: reading, language arts, mathematics, social studies and science, for the year and has not been retained already in that grade.

## **PROTECTED HANDICAPPED STUDENTS**

In compliance with state and federal law, the Mount Carmel Area School District will provide services to each protected handicapped student, without discrimination or cost to the student or family, as follows: those related aids, services or accommodations needed to provide the student with an equal opportunity to participate in and obtain the benefits of the school program and extra-curricular activities to the maximum extent appropriate to the student’s abilities. To qualify as a protected handicapped student, the child must be of school age with a physical or mental disability, which substantially limits or prohibits participation in, or access to, an aspect of the school program.

These services and protections for “protected handicapped students” are different from those applicable to all eligible or exceptional students enrolled or seeking enrollment in special education programs.

For more information on the evaluation procedures and provisions of service protected handicapped students, contact the school psychologist at 339-1500 ext 3169.

## **PSSA STATE ASSESSMENTS**

Pennsylvania has adopted the Common Core State Standards as the academic standards to identify what a student should know and be able to do at varying grade levels. The Common Core State Standards (CCSS) Initiative is a state-led effort to establish a single set of clear educational standards for English-language arts (ELA) and mathematics that states can share and voluntarily adopt. CCSS were developed in collaboration with teachers, school administrators, and experts, to provide a clear and consistent framework to prepare our children for college and the workforce. Individual student scores can be used to assist teachers in identifying students who may be in need of additional educational opportunities, and school scores provide information to schools and districts for curriculum and instruction improvement discussions and planning.

### **Pennsylvania School of Student Assessment (PSSA)**

The annual Pennsylvania System of School Assessment (PSSA) is a standards-based criterion referenced assessment used to measure a student’s academic performance. Every Pennsylvania student in grades 3 through 8 is assessed in English Language Arts & Math. Every Pennsylvania student in grades 4 and 8 is assessed in science.

## **SCHOOL HEALTH**

Every student will have growth measurements (height and weight) evaluated yearly. Vision screening is done every year for every student. Hearing screenings are conducted for all students in Pre-Kindergarten, Kindergarten, and grades 1, 2, 3, and 7. Either a private physician or school physician conducts physical examinations for students in Pre-Kindergarten or Kindergarten, and grades 6, and 11. Dental examinations are conducted by either a private dentist or school dentist in grades Pre-Kindergarten or Kindergarten, and grades 3 and 7. Students in grades 6 and 7 are screened yearly for scoliosis.

### **Medications**

If medication/treatment must be administered during school hours, a medication permission form must be obtained from the health office. The following procedures must be followed:

1. The medication permission form must be completed by the physician and the parent and returned to the health office before any medication/treatment is administered.
2. All medication to be given during school hours must be delivered directly to the health office.
3. All medication must be brought to school in the original pharmaceutically dispensed and properly labeled container.

### **Accident Insurance**

It is recommended that all students be covered by accident insurance. A school accident insurance policy is available to students for a nominal fee. These forms are distributed to all students at the beginning of each school year. Insurance forms can also be obtained through the principal's office. If a student does not purchase the district accident policy, they will be held liable for any injuries occurring on school property.

Only in the case of extreme emergency or hardship will exceptions be made. To request a valid change, a Transportation Change Request Form must be submitted to the building principal's office. The Superintendent or his designee must then grant approval.

## **SCHOOL WIDE POSITIVE BEHAVIOR SUPPORT PROGRAM**

School Wide Positive Behavior Support (SWPBS) is a proactive approach to discipline that promotes appropriate student behavior and increased learning. The SWPBS model conceptually aligns with Pennsylvania’s three-tiered Multi-Tiered System of Supports (MTSS) framework. This program is not a curriculum that students participate in for only a few weeks. Rather, it is a coordinated effort by all of the adults in the school to teach expected behaviors, supervise, and intervene when any inappropriate behavior occurs. As individual needs arise, staff, families, and students will be made aware of available interventions.

As student behavior concerns arise, our Tier II team will work with the teachers, students, and families with inter  
The first week of school is dedicated to teaching expected behaviors throughout all areas of the school. As the school year progresses, students are awarded “Tornado Tickets” when they exhibit exceptional examples of appropriate, positive behavior. The tickets may be turned in and entered in a drawing for prizes.

The agreed upon positive behavior theme is Tornado **P.R.I.D.E.**, as all students will be expected to adhere to expected behaviors according to **P**ride, **R**espect, **I**ntegrity, **D**edication, & **E**ffort. We are excited for the implementation of this program as it has the potential to be very successful in preventing problem behaviors and instead, teaching all students what is expected of them. The program is about acknowledging students who choose to do the right thing.

## **STUDENT RECORDS**

Natural parents have the right to review official school records unless a court order is on file specifying otherwise. School policy prohibits the release of confidential student information to individuals or agencies outside the school staff without parent knowledge and consent. Parents/students should contact the principal’s office to make an appointment to review records. Notarized guardianship documents need to be on file in the office.
