

Dear MCA Parents, Caregivers and Staff,

Welcome to the 2022-2023 school year! I am looking forward to getting started with the MCA PTA and all the great things we can do for our students. The board for the MCA PTA is hoping to rebuild and come back better than we had in the previous year so that we can get back to having events such as Family Fun Nights, Movie Nights, and book fairs back in school. But we need help and support from our families. Please consider becoming a member of the PTA and getting involved in the life of the students at our school.

When I first learned about the things that the PTA has done, I was surprised by the history of PTA. Did you know that PTA has been integral in the development of programs such as breakfasts and lunches being provided as well as calls for legislation regarding the creation of Kindergarten classes, child labor laws, public health services, hot/healthy meal programs, school safety, and many more. This summer, I attended the National PTA Convention and was able to talk with people from all over the US about what they are doing. I also got to speak with legislative assistants on Capitol Hill about signing on to support safety for our students and other issues.

We look forward to being able to meet with you on the 4th Tuesday of each month at 6:30pm in the Elementary School Library. Our first meeting will be on September 27th. More information will be coming out in the next few weeks.

Sincerely,

Beth Kaczmarczyk
