ATTENDANCE

The Mount Carmel Area School District's attendance policy is required to ensure maximum student attendance and punctuality. No factor has a more direct relationship to a student's success in school than a good attendance record. The school can best fulfill its goals when students are present in the classroom.

The student's parent/guardian is legally responsible to ensure that the child attends school on a regular basis and is absent only for reasons allowed by law (illness, death in the immediate family, and educational excuse are the most common). Any parent/guardian found violating the law is subject to prosecution, fines (up to \$300), court costs, and sentencing to complete a parent education course. If the parent is not convicted and the child continues to be truant, the child will be fined up to \$300 or be assigned to the adjudication alternative education program. In addition, the juvenile's driving privileges may be revoked.

In an effort to further reduce truancy our school district has partnered with Northumberland County Children and Youth Agency who has developed Truancy Prevention Specialized Unit. This Unit utilizes Children and Youth and Juvenile Probation Staff. The purpose is to assist families who by LAW (PA ACT 138) have been identified as truant. This will include:

- Attendance at Student Attendance Improvement Plan meetings (SAIP)
- Direct contact with students and families
- Offer community based supports
- Facilitate Parental Truancy Assistance Program (PTAP)
- Recommend and refer to Children and Youth
- Recommend and attend magisterial hearings.

A child is considered Truant after accumulating 3 or more unexcused absences and habitually truant after 6 or more unexcused absences. Parents can contact Northumberland County Children and Youth at (570)988-4237 or email truancy@norrycopa.net

Absences:

- Parents should call the school by 9:00 a.m. (339-1500 ext. 3134) to report a student's absence.
- Students must present a written excuse for absence to attendance office in the television studio within 3 days of returning from the absence. All absences are marked unexcused until the district receives a written excuse explaining the absence.
- After a student has been unexcused absence for a total of three (3) days during the school year, an official notice will be mailed to the parents/guardians. Parent/guardian will be invited to attend a Student Attendance Improvement Plan meeting to discuss attendance issues with their child. Parents who fail to comply with the provisions of the compulsory attendance law may, on summary conviction thereof, be required to pay a fine plus court costs.
- After 6 unexcused a referral may also be sent to Northumberland County Children & Youth Service and Juvenile Probation for attendance issues. Any unexcused absence after a warning letter will constitute a fine being levied against the parent/guardian of the student and the student or another suggested disposition by the District Magistrate. Fines will continue for any unlawful/unexcused absences.
- The MCA attendance policy will review the attendance records of students who have missed ten (10%) of the days school has been in session. A review will be held on the 45th, 90th and 135th day of the school term.
- Please be advised that truancy is considered public information and may be released to local news agencies, if requested.
- Students who miss an excessive number of school days will be required to provide a doctor's excuse. After 7 days of absence (or 10% of the school term) a warning letter will be sent to the parent. After 10 days of absence (or 10% of the school term) parents will be notified in writing that a doctor's note may be required for all subsequent absences. Failure to provide a doctor's excuse when required will cause the absence to be

unlawful or unexcused. After 3 unexcused absences, a warning letter will be sent to the parent and will be required to attend a student attendance improvement plan meeting.

- A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed physician.
- Students with excessive absences (10 or more unexcused days per year) will not be allowed to participate in sports, extracurricular activities, clubs, prom, operetta, dances, etc. for the remainder of the school year. Unusual circumstances will be handled at the discretion of the administration.
- Families are encouraged to take vacations during the summer months to ensure their child’s academic success. Vacations during the school term require pre-approval. A vacation pre-approval form must be submitted to the Superintendent’s Office. These days count towards a student’s absence record and are therefore discouraged. Approval may be denied for students who are failing, have excessive absences and/or vacation days exceeding 5 days.
- **Excused Absence and missed work:** The number of days allowed for makeup school work will be equal to the number of days absent. Students who are seriously ill and will be out a significant amount of time should have their parent (s) contact the guidance office in order to make arrangements to obtain school work. Students who are illegally absent or unexcused from school will not have the opportunity to make up assignments/assessments that were missed for credit and will receive a zero for any such assignment given.

Tardiness:

- To participate in after-school activities, students must be in school on time on the day of the event, unless a doctor excuse is provided. Unusual circumstances will be handled at the discretion of the administration.
- Students must report to the registration table when coming in tardy and then will be directed to the attendance office/television studio.
- The student will be sent to class at the discretion of the Administration.
- Unexcused tardy minutes will accumulate. Once a student accumulates 60 unexcused minutes, those minutes will equate to a half-day unexcused absence.
- At the 5th unexcused day to school tardy, a student will receive a detention. (Board Policy)
- Any subsequent unexcused days to school tardy will result in detention, in-school suspension, and/or parental/guardian meeting.

BULLYING

The Board is committed to providing a safe, positive learning environment for district students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.

Definition of Bullying

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting that is severe, persistent or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student's education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

Bullying, as defined in this policy, includes cyberbullying.

Complaints of bullying shall be investigated promptly, and corrective action shall be taken when allegations are verified. Confidentiality of all parties shall be maintained, consistent with the district's legal and investigative obligations. No reprisals or retaliation shall occur as a result of good faith reports of bullying.

Please refer to District Policy 249 for a further definition of bullying.

What to Do When You Experience or See Bullying

The intent of our high school is to eliminate bullying altogether, but at times, it occurs. Should a student feel bullied or witness bullying, he/she should immediately report it to a teacher, administrator or any adult in the building and fill out a Bullying Incident Form. The bullying form can be found on the main district website at www.mca.k12.pa.us. The district employee will ensure that the matter is addressed and or the principals are made aware of the situation.

Consequences for Violations of Policy

A student who violates this policy shall be subject to appropriate disciplinary action consistent with the Code of Student Conduct, which may include:

1. Counseling within the school
2. Parental Conference
3. Completion of "Teaching Social Skills to Youth" writing prompt which will include response to "Be the Change" video.
4. Loss of School Privileges
5. Transfer to another school building, classroom
6. Exclusion from school-sponsored activities
7. Lunch and/or After School Detention
8. Suspension
9. Expulsion

CELL PHONES (ELECTRONIC DEVICE POLICY)

Cell phone use is permitted during the following times:

* Prior to 1st Period at 7:35

* Lunch

* Passing of classes in hallways

* Teacher discretion

The following expectations apply:

- At **NO** time can a student use their cell phone to take pictures or video without specific permission from a teacher or administrator.

- At **NO** time should cellphones be heard or used during classes, unless for instructional purposes directed by the teacher. Cell phones must be set to “silent” (not vibrate) or turned off completely during classes. Checking the time or text message is not an acceptable reason to access a phone during class.
- Students who leave classes or lunch on a pass are **NOT** permitted to use their cell phones during that time.
- At **NO** time should cellphones be used during In School Suspension, detentions or any other disciplinary setting.
- Cell phones are not to be used in restrooms, locker rooms or other areas where privacy is expected. Failure to adhere to this policy will result in an electronic device violation.

* Parents and students are reminded that the intention of this policy is not to limit contact among families. Parents may call the school’s main office to have important messages forwarded to students. Students may also, with permission, utilize the office phone or their own cell phone to make a call while in the main office.

If students fail to comply with the cell phone expectations, the following disciplinary actions will occur.

- Violations of the above conditions will result in confiscation of the cell phone by an adult. Students are expected to comply. **Failure to relinquish the phone will result in disciplinary action, including possible suspension.** A confiscated cell phone will be locked in an administrator’s office. The phone must be picked up by a parent or guardian between the hours of 7:00-3:30 pm. First offense will result in a warning. Second offense will result in detention. Third offense will result in suspension.

Music devices (iPods, MP3 Players, etc) and Fidget Spinners will also fall under the Cell Phone Programs.

Earbuds and Headphones are **NOT** permitted during school hours. Fidget Spinners are not allowed during school hours.

- If a student phone or any other personal electronic device is in violation of the above policy, it will be confiscated by the staff member and sent to the office and the following disciplinary actions will be implemented:

First Offense: A parent will be contacted and the cell phone/personal electronic device will be returned to the student at the end of the day.

Second Offense: A parent will be contacted, the student will serve an after-school detention and a parent will be required to come in to the school to pick-up the cell phone/personal electronic device.

Third Offense: The third offense constitutes “defiance of authority” and will result in a suspension. Further discipline may be imposed in the discretion of the Administration, which may include revoking electronic device usage for the remainder of the school year.

The district is not responsible for lost, stolen, or damaged cell phones or personal electronic devices.

COMPUTER/INTERNET USAGE

The district requires parents and students to sign a Computer/Internet Policy that defines rules and regulations for technology usage. Students will be disciplined accordingly if they abuse this privilege; school computer usage may be compromised if the policy is violated.

HOMELESS EDUCATION ASSISTANCE

The McKinney-Vento Homeless Education Assistance Improvement Act of 2001 (Public Law 107-110, Subtitle B) was enacted to make sure homeless youth have access to appropriate education while removing barriers that homeless children face. The Act defines the term “homeless children and youth” as individuals who lack a fixed, regular, and adequate nighttime residence. Its goal is to minimize interruptions to the education of homeless youth. The Mount Carmel Area School District is committed to working collaboratively with families and local agencies to support homeless youth in our school community. Please see the district website for more information or contact Carole Lubeskie, Homeless Liaison, at 570-339-1500 ext. 3147.

STUDENTS WITH DISABILITIES

In compliance with state and federal law, the Mount Carmel Area School District will provide services to each protected student with disability, without discrimination or cost to the student or family, as follows: those related aids, services or accommodations needed to provide the student with an equal opportunity to participate in and obtain the benefits of the school program and extra-curricular activities to the maximum extent appropriate to the student’s abilities. To qualify as a protected handicapped student, the child must be of school age with a physical or mental disability that substantially limits or prohibits participation in, or access to, an aspect of the school program.

These services and protections for students with disabilities are different from those applicable to all eligible or exceptional students enrolled or seeking enrollment in special education programs.

For more information on the evaluation procedures and provisions of service for protected handicapped students, contact the school psychologist at 339-1500 ext 3169.

Students on homebound instruction cannot work, participate in sports, or attend school functions unless approved by the superintendent.

LOCKERS

Lockers are loaned to each student at the high school. Lockers are to be used to store school-related items. It is the students’ responsibility to maintain clean, neat lockers. Students are not permitted to share lockers nor should they share their combinations with friends. School authorities have the right to search a student locker when there is reasonable cause for the threat of safety, health or welfare to students of the school.

METAL DETECTOR OPERATION FOR MOUNT CARMEL AREA JR.-SR. HIGH SCHOOL

The Board recognizes that the educational environment of the schools is an important factor in the student’s ability to learn and a teacher to teach. Weapons and drugs in the schools, on school grounds, and in the surrounding communities are a danger to that environment and learning has suffered as a result. Through this procedure, it is the hope and desire of the Board to foster a proper educational environment for all students and to help promote the safety and welfare of students, staff, and visitors by authorizing Mount Carmel Area School District to conduct metal detector screenings of anyone entering the Jr.-Sr. High School building daily.

Searches are conducted for the district's purposes and not for the primary purpose of gathering evidence or instituting criminal proceedings; however, if a weapon and/or illegal item(s) are found, the appropriate law enforcement authorities shall be notified and the student or adult with a weapon and/or illegal items(s) shall face the penalties set forth in the Board policies and State laws.

In conjunction with using the metal detectors, school personnel may inspect the contents of any backpack, book bag, purse, or parcel for the limited purpose of determining whether a weapon is concealed therein, in accordance with Board policy. In the event a further search is necessary, the student and/or visitor will be removed to a private location. In cases involving students, a parent and guardian will be called prior to continued search. The parent/guardian will be given the option to be present for extended search, unless school staff believes immediate danger to the safety of students exist. A student and/or visitor can be refused admittance for refusing to follow metal detector operation protocol.

NORTHUMBERLAND COUNTY CAREER AND TECHNICAL CENTER

Students in the Mount Carmel Area School District are able to attend the Northumberland County Career and Technology Center beginning in 10th grade. A variety of shop choices are provided in order to meet the needs of individual students.

Prior to scheduling classes at the Northumberland County CTC, all students must meet with the Guidance Department to confirm they have met all academic credit requirements necessary for graduation.

Students who elect to **drive or are passengers** to and from NCCTC must have signed permission forms on file in the Principal's Office.

PEST MANAGEMENT

The Mount Carmel Area School District utilizes the Integrated Pest Management (IPM) approach for managing insects, rodents, and weeds. Building and grounds are routinely monitored to detect any pests that are present throughout the school.

Occasionally it may be necessary to use chemicals to manage a pest problem. These materials will only be used when necessary and will not be routinely applied. The school district will contract with a pest management company to perform services on site. Pesticides will not be applied during school hours and notices will be posted 72 hours prior to applications and for 48 hours following the application.

Parents or guardians of students may request prior notification of specific pesticide applications that will be made at the school. To receive notification you must be placed on the school notification registry. If you would like to be placed on the registry, please notify the school in writing. You may include your email address if you would like to be notified electronically. Each year the district will prepare a new notification registry.

If a material application must be made to control an emergency pest problem (stinging insects), notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products; self-containerized baits placed in areas not accessible to students, and gel type baits placed in cracks, crevices, or voids; and swimming pool maintenance

chemicals. If you have any questions, please contact Dave Fegley, IPM Coordinator, at the Mount Carmel Area Elementary School: Phone: 339-1500, ext. 3170.

Gym lockers are provided to every student; students are required to use the gym lockers to secure their personal belongings. The school district is not responsible for lost and/or stolen personal property.

PSSA/KEYSTONE STATE ASSESSMENTS

Pennsylvania has adopted the Common Core State Standards (PA Core) as the academic standards to identify what a student should know and be able to do at varying grade levels. The Common Core State Standards (CCSS) is a state-led effort to establish a single set of clear educational standards for English-language arts (ELA) and Mathematics that states can share and voluntarily adopt. CCSS were developed in collaboration with teachers, school administrators, and experts, to provide a clear and consistent framework to prepare our children for college and the workforce. Individual student scores can be used to assist teachers in identifying students who may be in need of additional educational opportunities, and school scores provide information to schools and districts for curriculum and instruction improvement discussions and planning.

Pennsylvania School of Student Assessment (PSSA)

The annual Pennsylvania System of School Assessment (PSSA) is a standards-based criterion referenced assessment used to measure a student's academic performance. Every Pennsylvania student in grades 3 through 8 is assessed in reading and math. Every Pennsylvania student in grades 5 and 8 are assessed in writing. Every Pennsylvania student in grades 4 and 8 is assessed in science.

Keystone Exams

With the adoption of CCSS, Keystone Exams will serve as one component of Pennsylvania's new system of high school graduation requirements. The Keystone Exams are end-of-course assessments designed to assess proficiency in the subject areas of Algebra I, Literature, English Composition and Biology.

For the graduating classes of 2019, students must demonstrate successful completion of secondary-level course work in Algebra I, Biology and English Composition, in which the Keystone Exam serves as the final course exam.

SCHOOL NURSE SERVICES

Illness During the Day

The School Nurse is responsible only for the emergency care of injuries and sudden illness that occurs while the student is in school. The Nurse is not available to diagnose or treat students who come to school with prior injuries or illnesses except in special cases that are under medical care and with the physician's written orders. If a student becomes ill during the school day, the student should report to the Nurse's Office. The school nurse makes a professional evaluation and will send your child home when necessary.

Only persons designated on the Emergency Form will be contacted to pick up the student. All telephone numbers must be recorded on the form and updated promptly when there are changes.

When contact is made to the parent/guardian for an illness/injury, the parent/guardian must come to the Nurse's Office to transport the student to his/her home, the doctor, or the hospital.

IMMUNIZATION

Pennsylvania Immunization Law requires students to be properly immunized according to their age and grade level. Please confer with your family physician to ensure immunizations are current and forward records to the school nurse.

INSURANCE

It is recommended that students purchase accident insurance. A school accident policy is available for a nominal fee. Forms will be distributed the first week of school and are also available in the Principal's Office.

LATEX-FREE

The Mount Carmel Area School District provides a latex-free environment to accommodate staff and students with severe allergies. Please note that this includes the presence of latex balloons in any part of the building.

MEDICATION

All medication should be given outside of school if possible. Most medications, even those scheduled for three times per day, can usually be given outside of school hours. The Nurse's Office does not have cough, cold, flu medication, allergy medications or antibiotics.

School policy prohibits students from carrying on their person ANY medication that is prescribed or purchased as "over the counter." Students requiring oral medication during school hours may have the nurse administer such medication in compliance with the following regulations:

- All prescription and over-the-counter medication must be in the original container (State Law).
- Child's name, purpose of medication, time and dosage to be administered, possible side effects and termination date.
- Written instructions signed by the parent/guardian and physician.

Medication sent to school in baggies, unlabeled, or not in the original container will not be administered.

Respiratory inhalers are permitted to be carried and self-administered with a prescription from a physician. In addition, an Asthma Action Plan, signed by the student's physician and parent, must be on file in the Nurse's Office. All inhalers must have a label on the inhaler or include the box prescription label.

All "controlled medication:" Ritalin, Dexedrine, Concerta, Adderall, etc. must be brought to the Nurse's Office by the parent/guardian. Do not send these medications to school with your child. All controlled medications are counted by the nurse and locked in a secure cabinet.

The school nurse has standing orders from the school physician to dispense the following: acetaminophen, once a week to students with parent signed consent form on file; Tums; salt water for sore throats.

Parents may come to the Nurse's Office to administer medication to their child, from the original medication container, if they so choose.

PHYSICALS

The school health law requires medical examinations for children upon original entry into school and in grades 6 and 11. Mount Carmel Area School District recommends that these examinations be done by your family physician since he/she can best evaluate your child's health and assist you in obtaining necessary treatments and corrections. Forms that must be completed by your physician may be obtained from the school nurse.

SCHOOL PROPERTY

Any student who does not return school property such as books, uniforms, and/or miscellaneous items will be required to pay for the missing items. Senior assessments must be paid by the designated due date. Report cards, diplomas, and schedules will be withheld until all items are returned or paid for.

SECURITY

A school Security Resource Officer is employed to maintain a safe and secure school environment. The SRO has the authority to issue citations when the situation warrants.

The Mt. Carmel Area School District utilizes surveillance cameras in its buildings, as well as on grounds and buses.

All campus traffic must abide by safety regulations established by the district.

High school students may **only** be dropped off in the parking lots. Cars are **not** permitted on the upper level.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age certain rights with respect to the student's education records. These rights are:

- The right to inspect and review the student's education records within 45 days of the day of the request for access is made. Parents or eligible students should submit to the principal (or appropriate school official) written request that identifies the record(s) they wish to inspect. The school official will make arrangements and notify the parent or eligible student of a time and place where the records may be inspected.
- The right to request an amendment to the student's educational record when the parent or eligible student believes the record is inaccurate. Parents or eligible students should write to the principal or appropriate school official, clearly identifying the part of the record they want changed and specify why it is inaccurate. If the school decides not to amend the record as requested, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- The right to consent to disclose personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.

A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist) or parent serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her task.

BUS ASSIGNMENTS

Students transported to school are assigned to a bus and **must always ride on that bus**. Only in the case of extreme emergency or hardship will exceptions be made. Visiting friends after school is not an acceptable reason to change a bus assignment.

To request a valid change, a written note stating reasons for that change must be submitted to the building principal. The superintendent or designee must then grant approval. Please keep in mind that a written request does not mean approval.

All inquiries concerning transportation should be made to the superintendent's office @ 339-1500 ext. 3120.

Students traveling to the home school (as a passenger or driver in own vehicle) from NCCTC must have completed transportation forms from their parent/guardian on file in the JH-SH office and NCCTC office.

WALKERS AND DRIVING TO SCHOOL

Students who walk to school should enter the Sixth Street entrance and utilize the sidewalk for safety. Students who ride their bicycles to school should use the same entrance and park their bicycles in the rear of the high

school in the bike rack. The principal recommends that all bicycles be locked to the bicycle rack during school hours. Skateboards, roller-blades, scooters, etc. are not permitted on school property. Students being dropped off at the high school must be dropped off in one of the parking lots. **Students may not be dropped off on the upper level where the buses enter and exit. No vehicles are permitted in the upper level driveway.**

Parking Passes

All students who drive to school must have a parking pass. All vehicles must be registered in the SRO's office. This process can be done on any school day during regular school hours. To obtain a parking pass, a student must provide a copy of his/her driver's license and current insurance and registration cards. In addition, he/she must supply the car model, make and plate number. Upon completed registration, the student will be issued a parking pass by the school security officer. The pass must be visible any time the vehicle is parked on campus.

TECHNOLOGY RESOURCES

The MCASD has varied technological resources available to assist you in research and learning. A link for many of these resources are accessible through the home page.

TV STUDIO

The MCA TV Studio broadcasts live school news daily, 7:35 – 7:50 am. Rebroadcasts of community interest programs are aired every Wednesday from 8:00 – 11:00 pm. on channel 13.

VISITOR ID MANAGEMENT

Mount Carmel Area School District began using the **Raptor Visitor Management System** to track visitors, contractors, and volunteers in our schools. Safety of our students is our highest priority. Raptor will provide a consistent system to track visitors and volunteers while keeping away people who present a danger to students and staff members.

Upon entering a school building, **visitors** will be asked to present a valid state-issued ID, such as a driver's license. The ID will be scanned into the system. The Raptor system will check to ensure that registered sexual offenders are not entering our buildings. It is important to note that the Raptor system only scans the visitor's name, date of birth and photo for comparison with a national database of registered sex offenders. Additional visitor data from the driver's license is not gathered nor is the system connected to any other system such as the Department of Motor Vehicles. Therefore any other information on the ID is not scanned by the system and is not accessible to any of the users. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit.
