November 10, 2020

Mount Carmel Area Learning Community:

The Mount Carmel Area School District received notice of one positive COVID-19 case for a student that attends the Elementary School. The student was last in our building on Monday, November 9th. We have already communicated with our nursing department and the Pennsylvania Department of Health about this case and we have begun the process to conduct contact tracing.

At this time our Elementary building will remain open.

We would again like to remind our community about the importance of daily morning screenings before sending your son or daughter to school. ***Please keep your child home if they are sick or exhibiting any COVID-19 symptoms.*** Many resources are available on our main website including our COVID-19 tracker that gives our learning community real time information concerning cases in our school district and local community.

Sincerely,

Pete Cheddar

Superintendent
