Message to Parents and Students

Dear Parent,Guardian, or Student-Athlete:

Welcome to Mount Carmel Area Athletics! We hope this handbook provides you with all of the information that will accommodate you in making your athletic experience a positive one at MCA. The athletic program at Mount Carmel Area has always been known for its rich tradition of pride and excellence. The sports foundations developed in the former schools of Mount Carmel, Mount Carmel Township, Kulpmont and Mt. Carmel Catholic have all contributed to the Mount Carmel Area Red Tornado success in its scholastic sports programs.

We wholeheartedly believe that the key to athletic success comes from a well-rounded experience for all of our student-athletes. The concepts of BODY, MIND, and SPIRIT are integral aspects of our sports programs on all levels. Our athletes must develop all three of these personal qualities in order to succeed in the classroom, as well as on the field of competition, and most importantly, to have success in life's endeavors.

Be it Fall, Winter, or Spring, our goal for each student-athlete who displays the Red Tornado on their uniform is to spotlight sportsmanship, demonstrate work ethic, and be a positive example of what it takes to be a Mount Carmel Area Red Tornado.

This handbook is provided to assist you and your child throughout their athletic career at MCA. Please take the time to read each section thoroughly. When finished, please sign the back page which indicates that you and the student-athlete have read the handbook, and understand what is contained within.

Once again, welcome to the MCA Athletic Programs and as the Director and an alumni, I join the 1000's that are members of a fraternity of more than a century of athletes in welcoming you to the club!

Sincerely,

Gregory Sacavage
Director of Athletics

Athletic Department Policies

Parent/Guardian Acknowledgement of Athletic Policies:

At the beginning of each school year, the Athletic Handbook and all necessary forms and information for participating athletes can be found on the District website: www.mca.k12.pa.us.

Physical Examination

Physical examination forms for all participants shall be signed by a physician, the participant, and by a parent or legal guardian, and must be on file in the Athletic Office before any candidate for a team may participate in any way. These forms necessitate the physician's certification of the individual's physical fitness and are valid for one calendar school year. Students are encouraged to get their physicals during the summer months. Physicals are valid for one calendar year from the date of the exam. (Form can be found on the district's website.)

Physicals will be offered by a licensed physician at a set rate at the high school. This is done as a convenience to the athlete and they are not required to participate in this procedure. An athlete may go to any licensed physician to have the PIAA Physical requirement complete, but must be done prior to the beginning of their sport season on an approved form.

In the event of a student participating in more than one sport during the school term, parents and guardians are reminded to sign the physical form in all sports which their child is participating in. In the event, the form is already turned in, they may retrieve it and return it signed for another sport. However they cannot participate until it is returned to the Athletic Office.

Scholastic Eligibility Requirements

To be eligible to participate in interscholastic athletics at Mount Carmel Area, grades 7-12, all student-athletes will be required to meet certain standards established by the PIAA. These standards are as follows:

- A. Age - To be eligible to participate in grades 10 through 12, you must not have reached your 19th birthday by June 30 immediately preceding the school year. Where you will participate only in grades 7 and 8, you may not have reached your 15th birthday by June 30 immediately preceding the school year; where you will participate only in grades 7 through 9, you may not have reached your 16th birthday by June 30 immediately preceding the school year.

- B. Attendance - You must be enrolled in and in full-time attendance at Mount Carmel Area or be home-schooled. You are eligible only at the school at which you are enrolled or, if a home-schooled student, at a public school in the public school district in which you reside. If you are a student enrolled in either a Charter School or Cyber Charter School, you should consult with your Principal to determine the school at which you are eligible. If you are absent from school during a semester for a total of 20 or more school days, you will lose your eligibility until you attend school for a total of 45 school days following your 20th day of absence.

- C. Academic and Curricular Requirements - All student-athletes must be passing at least four full-credit subjects, or the equivalent, as of each Sunday during a grading period (week, quarter/marking period, and semester). If you fail to meet this requirement, you will lose your eligibility immediately following Saturday through the Saturday immediately following the next Saturday as of which you meet this requirement. You must have passed at least four full-credit subjects or the equivalent during the previous grading period, except the eligibility for the first grading period is based on your final grades for the preceding school year. If you fail to meet this requirement, you will lose your eligibility for at least 15 school days of the next grading period, beginning on the first day that report cards are issued.
