

Friday, April 22, 2022

**This is a message for students and parents of the Mount Carmel Area School District.**

A reminder that annual PSSA testing for students in grades 3 to 8 will begin this coming Tuesday, April 26th. Testing dates will be:

Tuesday, Wednesday, Thursday, April 26, 27, and 28. **ELA Testing**

Monday and Tuesday, May 2 and 3. **Math Testing**

Wednesday and Thursday, May 4 and 5. **Science Testing** (Grades 4 and 8 only)

Please remind your children to get a good night's sleep prior to testing. PSSA testing results are very important for our district as we analyze individual, grade, and building-level academic strengths and weaknesses. More information on PSSA testing is found on our main website.

We hope everyone has a great weekend.
