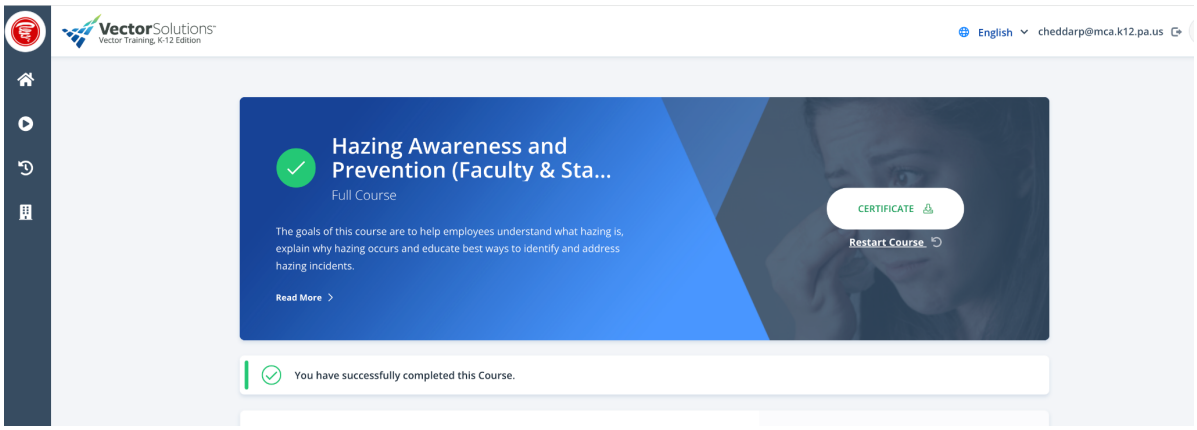
#5. Hazing (All athletic and extracurricular activities coaches)

MCA Specific Site: https://mca-pa.safeschools.com/training/home

- Please contact Athletic Office or District Office to have your email added to the Vector Solutions system.



#6. Physical and TB Test (All employees/volunteers/Coaches with students 10 or more hours/week)

School personnel to be tested include **employees and independent contractors who provide direct services to students on behalf of a school, including** but not limited to teachers, nurses, administrators, physicians, dentists, dental hygienists, custodians, janitors, cooks, cafeteria workers, bus drivers, librarians, psychologists, audiologists and counselors, and student teachers and **volunteers**. **The Department of Health defines "direct services" as those persons in direct contact with students 10 or more hours/week**. The law does not contain a provision to allow modifications for school staff/volunteers. They must be tested "prior to working for the school."
