MCA Learning Community -

I am writing today with sad news concerning one of our students in the JH-SH that passed away. We do not have details but our thoughts and prayers are with the family at this time.

Students may have difficulty dealing with this tragic news. If any student would like to talk with a counselor, Children's Service Center will have counselors from their CSBBH programs available from 9am to 12pm tomorrow, Friday, April 7th, at the JH-SH building and also available upon request. Please contact 570-933-2736 at anytime and someone will be available to assist.

MCA thanks CSBBH staff for always being available for our students when in need.

Our school and community will be a resource to family and friends in any way that we possibly can.
