December 5, 2024

This is a message for students and parents of the Mount Carmel Area School District.

Last evening our school board passed a revised 2024-2025 school year calendar with changes to two school dates:

- **Friday, December 20th** will now be an Act 80 early dismissal for all students.
- **Friday, February 14th** will now be a full day of instruction (Not an Act 80 early dismissal.)

Thank you and have a great evening.
