

## **ACT 34 PA CRIMINAL BACKGROUND CLEARANCE**

Act 34 of 1985 specified that employees of public and private schools and their contractors hired as of January 1, 1986, must undergo background checks. School districts may hire residents of Pennsylvania for a provisional period not to exceed 90 days, pending this clearance. During this period, they must work in the direct vicinity of a permanent employee. If an employee is continuously employed with the same district or contractor, background checks are good indefinitely. Any break in service with that district or contractor will require a new background check.
