

Get ready for **SUMMER**
READING

MCA
2021-
2022

All students are required to read one book and complete one assignment before they start school.

**"The more that you read, the more things you will know.
The more that you learn, the more places you'll go." ~Dr. Seuss**

The English Department of the Mount Carmel Area School District believes in the importance of summer reading to enrich the lives of students. Hopefully, the summer reading experience will be enjoyable. We have created reading lists* to offer you a wide variety of reading material from which to choose. You may choose a book from the list or decide on one of your own with your current teacher's approval. The list contains books from many genres and reading levels. You should be able to find at least one that sparks your interest and piques your imagination.

**See the school's website or your teacher for the complete list.*

Books may be read with friends or family members to enhance your experience and understanding of the text. All students entering grades 7 through 12 are required to read one book over the summer and complete the summer reading assignment. While each of you is only required to read one book, we offer this extensive list to encourage you to read more than the minimum.

MCA English Department Policies for Summer Reading:

1. Choose one novel from the Suggested Reading List or a book of your own with your teacher's approval. Make sure to read novels that are not too easy and not too difficult. (Students entering Honors English and AP classes will be assigned novels.)
2. Complete the **Summer Reading Form** and check with your current teacher if you are not sure of the book.
3. When you finish reading, complete the **Summer Reading Assignment** attached to the packet.

7. This summer reading project will count as the first grade in your English class. If it is not finished, you will lose points every week it is past due. At the end of the first marking period, you will be given a zero if you do not complete the project.
