MCA Learning Community -

We are planning our first Trunk or Treat event for next Wednesday, October 25th, from 5:30 to 6:45pm.

Here are some details:

- We are hoping this is a fun way for students and families to learn more about the many extracurricular activities available to students at MCA! Our own internal research tells us that students that are involved with activities at MCA are much less likely to have academic, behavioral, or attendance issues.
- Each extra curricular activity will have their own game, activity, or candy giveaway. *Due to funding - we are not sure how much candy and goodies we will have to give away.*
- Public is asked to park in both lots in front of the JH-SH building. Elementary and District parking lots are off limits.
- The event will conclude by 6:45pm sharp.
