This is a message for students and parents of the Mount Carmel Area School District. We have recently moved to a new Caf -Trac system that has changed the online payment method. If you decide to pay online, you now have to go to www.schoolcafe.com to register to be able to do so. As always, we still accept cash, checks or money orders in person.

Sorry for any inconvenience this may have caused anyone trying to add money to their child's account.
