This is a message for students and parents of the Mount Carmel Area School District

A reminder to all students and parents/guardians of current protocols for those planning to attend the Coal Bucket Game Friday evening:

- No large bags are allowed. Students/fans will not be permitted to enter the stadium with a backpack.
- *Diaper bags for small children are allowed and will be checked upon entry.*
- Remember to please buy advance tickets. A large crowd is expected and long wait times could occur at entry. Advance ticket sales will aid this process.
- Students are expected to be with parental and adult supervision at all times.
- No students are allowed on the football practice field behind the home bleachers.
- Students are to sit in their respective student sections or with an adult.
- Students from Mount Carmel will not be allowed to walk over to Shamokin's bleachers and vice versa
- No noise makers or aerosol sprayers are allowed inside the stadium.
- Fans will be removed from the stadium for throwing objects.
- Extra parking will be available in the Mount Carmel Area High School and Elementary parking lots.
- We will have a large police and county probation presence on Friday evening. If anyone sees someone that is causing a disruption - they are asked to report that behavior to a police officer or school administrator. Any misbehavior may result in an ejection and/or further discipline consequences
- Our district would like to thank the Mount Carmel Township Police Department for leading all safety measures that will be in place on Friday evening.

Let's all plan on attending the game Friday while cheering on the Big Red to victory!
