December 9, 2024

This is a message for students and parents of the Mount Carmel Area School District.

Thursday, December 12th the Mount Carmel Area Girls Basketball team will host the Lady Braves of Shikellamy for a game beginning with the varsity game at 12:45PM, JV to follow. Here are the following protocols that have been set in place for the contest.

- This event will be held for MCA students and staff in grades 7th through 12th.
- The public will be invited to attend the event with doors opening at 12:15pm.
- All members of the public are asked to please park in the High School Principal's office parking lot and enter through the main doors of the high school.
- All members of the public will be required to go through the district's metal detectors and bags are subjected to be searched.

Information for future home winter sporting events:

- For future sporting contests at MCA this year, parents are reminded that students need to be accompanied by their parents or guardians for home events. Students should not be dropped off at events and under no parental supervision.
- ***Just a reminder that parents and guardians should discuss positive game behavior expectations with their children. Students will be removed from the contest for any negative comments that single out an individual player or coach or using any type of inappropriate comments. Students have been warned about this as well at school.***

All students are expected to display positive behavior during all events while cheering on the Tornadoes!

Go Big Red!
