Class of 2025 Information:

SCHOLARSHIP INFO

The ball has officially started rolling for scholarships!

Reminder that THIS FRIDAY (Jan 31st) there will be a scholarship meeting DURING HOMEROOM (1:55pm) in ROOM 212 to help students apply for the **SACF Scholarships** (see attached screenshot) - including the Fred G Smith Scholarship for Bloomsburg!!

If attending, please make sure you have your chromebook, charged! If you are unable to attend, no worries! You are more than welcome to navigate the system yourself or I can help you if you get stuck. At the end of the meeting tomorrow, I will send out the presentation/info for anyone who was unable to attend.

Please stay tuned over the next few weeks as I will be sending out MULTIPLE emails about a variety of scholarship opportunities!

SENIOR PROJECTS

If you still need community service hours for your senior project, there are opportunities available through Mount Carmel Borough/Police Station. You can go to Borough Hall and let them know you are from Mount Carmel Area and would like to complete hours for your Senior Project. The manager is Ed Cuff, and the address is 30 West Third Street, Mount Carmel. They have an agreement with us.

If you are planning something on your own for your senior project, please make sure you get **approval** first!! If you complete/submit something that does not meet the guidelines it will be denied. And you will have to complete/submit another senior project.

We are asking that the Senior Project and Job Shadow paperwork will be turned in by April 1st.

Thank you for your attention to this! Please reach out if you have any questions.

Mrs Nestico and Mrs Venna-Waugh
