This is a message for students and parents of the Mount Carmel Area School District.

The District IV Semi-Final Baseball game between Mount Carmel Area and Troy originally scheduled for today has been postponed due to weather. The game will now be played on Friday, May 23rd at 3:00PM at Bloomsburg high school. Tickets for the game will be sold online through Hometown Ticketing and can be purchased by visiting www.piaad4.net. No cash sales will be accepted. Gates will open at 2:00 PM for all spectators.

Please plan to arrive early, as seating and parking is limited. Bloomsburg Area School District will dismiss during warmups and near the start of first pitch. Also, reminder there are no noise makers or alcohol allowed on school district property. If a fan is caught using one of these items they will be removed from the game immediately.

Good luck to our boys baseball team!

Go Big Red
