<u>This is a message for students and parents of the Mount Carmel Area School District</u>

Due to the ongoing project on the away bleachers at Silver Bowl ---- all fans will need to sit in the home bleachers for the varsity scrimmage against Pottsville on Saturday, August 16th.

Fans are also reminded of the current protocols when attending events at the Silver Bowl this upcoming season:

- No backpacks are allowed. Students/fans will not be permitted to enter the stadium with a backpack.
- Students should enter the game and be with adult supervision at all times.
- No noise makers or aerosol sprayers are allowed. **If a student is caught using one of these items they will be removed from the game immediately.**
- **Students are not allowed to congregate under the home bleachers.**
- Being unruly,causing a disturbance, and/or fighting will not be tolerated and will result in removal from the stadium, loss of future game privileges, possible suspension and arrest

Please plan accordingly for all MCA athletic events.

Let's all plan on attending the games while cheering on the Big Red to victory!
